## KFGC celebrates its 17th year of hosting youth golf camps!

We are delighted to have local amateur player and golf coach Ted Zakour instruct two youth camps in July 2023. Born and raised in Ithaca, Ted is an accomplished golfer having competed in the New York Amateur Tournament, Ithaca City and county tournaments and provides golf instruction to youth and adults in the local area. His priority is to make learning the fundamentals of golf fun while cultivating a life long passion for the game. He and his wife Nancy live in King Ferry where they raised their daughter Sarah. Ted connects well with young people and enjoys sharing his love of sports. He looks forward to the opportunity to teach your child the game of golf.

## Learn How to Play Golf!

What makes this golf camp unusual is the differentiated instruction. Each participant receives morning lessons on the driving range and the chipping/putting green followed by playing golf on the course each day with continued instruction. This is a perfect golf camp opportunity for students in elementary (minimum age of 8 years), middle and high school interested in learning how to play and/or strengthen their game.

Activities in the camp will include personalized swing instruction, ball striking, short game, club selection, rules, tactics, and strategies. Games and contests will enhance instructional outcomes making for a fun and enjoyable camp experience!

Ted will be hosting two golf camps this summer:

Session I: July 11—14, 2023 (Tuesday—Friday)

Session II: July 24—27, 2023 (Monday—Thursday)

- Four-day schedule runs from 8:30-1:30 pm
- A maximum of 12 campers per session
- Cost for each session is \$150.00 per camper
- Pre-Registration and payment is required to reserve your space at the camp.

## King Ferry Golf Club

The King Ferry Golf Club is a picturesque nine-hole course overlooking the east shore of Cayuga Lake. The par 36, 3,310 yard course features a Scottish-links style with tall, wispy wild fescue defining the off-fairway areas. It is a fully irrigated course, with a driving range and a chipping and putting green.

The golf course was established in 2007 by Carin and Bruce Kopp, residents of King Ferry. Our three daughters grew up playing golf and we remain a family owned, family friendly business staffed by a great team of employees, many of whom have been with us from the start. We pride ourselves on being service driven, prioritizing and appreciating our customers and we look forward to you playing the course!
